Dr. Letizia Pantoliano
Interim Superintendent of Schools

Julyana Ortiz
Business Administrator

November 19, 2020

Dear Ridgefield Families:

Due to rising cases of COVID-19 in Ridgefield and across the county The Ridgefield Public School District with the support of the Borough of Ridgefield Department of Health **will return to virtual instruction for all students on Wednesday, November 25 and will remain that way through early January 2021** when the decision will be re-evaluated. Families will be given at least a one-week notice prior to the district opening again for in-person instruction. Students should continue to follow their regular schedules. This decision is being made for the health, safety and well being of all as well as to ensure educational stability for students. I strongly encourage students to participate in the many wonderful virtual clubs and activities that the district has to offer.

All school and district buildings will remain staffed and school personnel are available to the school community. Rest assured that the district will continue to monitor the current COVID situation and make any adjustments necessary that will be in the best interests of the entire school community.

Sincerely,

Dr. Letizia Pantoliano

Interim Superintendent, Ridgefield Public Schools
